

DAY ONE

228 MILES

< **GOOGLE MAP**

Please note: The Google Map may show alternative routes that are not permitted. The onus is on the racer to ensure the correct route is being followed.

Turn right on to E Colonial Drive – 0.4mi

Take the FL-520 E exit toward Cocoa/Cape Canaveral and continue onto FL-520 E – 8.9mi

Turn left to merge onto FL-528 – 23mi

Take exit 54B, signs for B Terminals 1-3. Keep left at the fork to turn left onto George King Blvd – 1000ft

Turn left onto Dave Nisbett Dr, then turn right into the parking lot.

CHECKPOINT ONE: Exploration Tower. Get a photo with the tower in the background. Once you have your photo, there are many restaurants nearby and the cruise ship terminals if you want to explore.

Return back along Dave Nisbett Dr to George King Blvd and turn right – 600ft

Turn left onto the ramp for FL-A1A S ramp to Cocoa Beach – 22mi

Turn left onto 4th Ave, then turn left into James H Nance Park.

CHECKPOINT TWO: Take a photo with Bizzarro Pizza in the background. Explore the beach if you'd like. Bonus points for Top Tourist if you swim.

Exit the park by driving straight (like you are following the beach), then take the first right onto 5th Ave to return to FL-A1A and turn left – 1.7mi

Turn left to continue on FL-A1A –23.4mi

Turn right onto FL-510 W/Wabasso Beach Rd – 4.2mi

Turn left onto 66th Ave – 7.5mi

Turn right onto E State Rd 60 W – 55mi About 28 miles into this section there is a big Pilot and Racetrac in Yeehaw Junction, which is the last gas for 40 miles. Also be careful for animals.

Turn left onto Hwy 630 E – 14.3mi

Turn left onto FL-17 S – 6mi

Turn left onto US-98/US Hwy 27 S – 6.4mi

Turn right onto FL-64 W – 12mi

Turn left to stay on FL-64 W – 41mi

Turn left into the Freedom Factory, follow the directions to the oval.

CHECKPOINT THREE: Get a photo in the Freedom Factory. Take a lap around the oval, several if you'd like. So ends the day!
